Why It's Worth Participating

The Handball Days Lübeck combine athletic competition, a team trip, and an international tournament experience. For coaches, the tournament offers a predictable opportunity to challenge the team athletically, strengthen team cohesion, and provide the players with a special experience outside of the normal season. Thanks to the bookable packages, included public transportation, the supporting program, and central organization through ProCup, participation is easy to plan and can be presented convincingly to parents, the club, and the team.

Tournament details: With 7,500 participants and 500 teams from 10 different countries, the Handball Days Lübeck is the second-largest youth handball tournament in the world. Games are played on approximately 30 courts spread across two locations in Lübeck. It offers a great opportunity to compete against other teams and make new friends.

Registration: Registration is handled through ProCup. Download the app and stay up to date. The registration deadline is May 15, 2027. All package selections and T-shirt sizes must also be entered into ProCup by this date. Please ensure that all information is entered completely and correctly to ensure smooth organization.

Accommodations and Meals: Teams will be housed in nearby schools and sports halls within the Lübeck city area. Meals will mostly be served at the accommodations and in the large dining tent at the Lohmühle.

Arrival: On the day of arrival, please check in with us in a timely manner. Depending on prior arrangements, you will either go directly to your accommodations or to the registration desk at the Lohmühle. There, you will receive your transponders/keys and a brief orientation regarding your accommodations. Since regular school classes are still in session on Friday, classrooms are generally not available until 4:00 p.m. Please take this into account when making your plans.

Leisure Activities: In addition to the exciting handball games, Lübeck offers numerous leisure activities to enjoy during your downtime. Lübeck's historic old town is located on an island and is completely surrounded by the waters of the Wakenitz and the Trave rivers. You can go on a canoeing adventure and take a dip in wonderful outdoor pools to cool off. Both activities are free for your team and accessible with your Handball Days tournament pass.

Schedule and Rules: The schedule will be available via ProCup approximately 2 weeks before the tournament begins. The games will take place at the Lohmühle and the Buniamshof. Games will be played according to the international handball rules of the IHF as of July 1, 2025.

Contact and Further Information: Our organizing team is available at any time for further information or questions. You can reach us by email at info@handballdays.com or visit our website at: www.handballdays.com.

We look forward to your participation and wish you every success and lots of fun at the Handball Days Lübeck 2027!
