Additional Details

An additional night's stay in the Gold Package (e.g., from Thursday to Friday), including breakfast, lunch, and dinner, costs €45.00 per person.

An additional night's stay in the Silver Package, including breakfast and dinner, costs €35.00 per person.

A package (Gold, Silver, Bronze, or Bronze Plus) must be booked for each person. The number of people on the registration list must match the number of packages booked. Entries can be added to the registration list up until the deadlines (see Changes to Booked Participation Categories / Packages).

Registration

Registration takes place on Friday at your respective accommodations or at the tournament village at Lohmühle. There, you will receive the tournament passes for each club. The addresses of the accommodations are listed in ProCup.

Note:

Based on past experience, there are often long wait times for registration at the tournament village or accommodations on Friday between 2:00 p.m. and 6:00 p.m., especially one to two hours before the parade/opening ceremony or the start of the game. We'll try to keep these wait times as short as possible through careful planning. We recommend sending an advance group to check in.

Insurance and Liability

All team coaches are required to ensure that their respective participants have adequate insurance coverage both on and off the field. Handball Days does not provide general insurance coverage for accidents, illness, theft, or property damage. Please do not leave cash or valuables in the school classrooms.

The club is liable for any damage or theft occurring in the assigned classrooms or gyms.

The club is liable for damage caused by its participants, coaches, supervisors, or other persons associated with the club, as well as for the loss of keys or transponders. Any resulting costs will be billed to the club.

Cancellation of the Tournament and Force Majeure

If the tournament cannot take place or must be postponed for reasons beyond the control of the tournament organizers—in particular due to force majeure, official orders, hazardous situations, or other events for which the tournament organizers are not responsible—the tournament organizers shall not be liable to the participants for any damages, costs, or losses incurred, including, but not limited to, transportation costs, lodging costs, costs for additional orders, or other financial losses. In such cases, the tournament organizers are entitled to retain registration fees, participation fees, and lodging costs in whole or in part, to apply them toward a future tournament, or to refund them in whole or in part after deducting non-refundable organizational costs already incurred.

Tournament terms and conditions for the year 2027

The tournament organizers are entitled to suspend play for safety reasons, shorten matches, adjust match times, change venues, or cancel individual matches or parts of the tournament if weather conditions or official regulations make this necessary. These include, in particular, extreme heat, heavy rainfall, thunderstorms, storms, unplayable fields, or other hazardous situations. Decisions will be made at the tournament organizers' reasonable discretion, taking into account the safety of participants, referees, volunteers, and spectators.

If such circumstances result in a shortened playing time or a modified tournament

Opening Ceremony

Details will be announced closer to the event.

Setting Up Tents and Pavilions

Setting up tents and pavilions on the grassy areas at the Lohmühle and Buniamshof venues is permitted. However, please note that ground anchors, pegs, or any other securing materials must not exceed a length of 30 cm. Longer materials may damage the drainage system.
